ABOUT LIONSHIELD.

Lionshield Protection Services (OPC) Private Limited is a Gujarat-based private company providing end-to-end security and facility management solutions across India. We are driven by a commitment to excellence, reliability, and integrity in protecting people, property, and assets.

We specialize in manned guarding, event and industrial security, electronic surveillance, and housekeeping — ensuring round-the-clock safety and operational efficiency. We also run training and skill-development programs, building disciplined, employment-ready professionals for the private and public sectors.

Our mission: safeguard every space we serve, creating secure environments for confident growth.

WHY CLIENTS CHOOSE US

Experienced management team, 10+ years in security operations

Technology-enabled monitoring & reporting

Compliant with safety & industry regulations

Affordable, transparent service packages

Nationwide deployment network

OUR MISSION

To provide professional, national-level security and guarding services across India.

OUR VISION

To establish Lionshield as a leading security and facility management company.

OUR CORE SERVICES.

Security Guards & Bodyguards

Trained and verified guards, bouncers, and bodyguards for corporate, residential, and personal security needs.

Industrial & Event Security

Complete management of industrial sites, exhibitions, and public or private events — safety, crowd control, and asset protection.

Cash Escort & Logistics Security

Secure transportation of money, valuables, and confidential materials using armored vehicles and trained personnel.

Electronic Surveillance & Access Control

Installation and monitoring of CCTV, alarm systems, and digital access control for advanced security coverage.

Facility Management & Housekeeping

Total facility maintenance including cleaning, building operations, office management, and workforce supply.

Security & Safety Training Programs

Professional courses for guards, supervisors, and officers — skill development, discipline, and compliance training.

Manpower Supply Services

Reliable supply of trained manpower for security, housekeeping, and support staffing needs across residential, commercial, and industrial sites.

OUR ADVANTAGES.

24/7

Constant Monitoring & Support

100%

Trained Professionals

Ethical

Transparent Operations

Wide

Nationwide Network

OUR CLIENTS.

We're proud to serve a growing list of residential, commercial, and healthcare clients across Gujarat, delivering the same standard of trust and professionalism on every site.

Our Guards. Our Promise.

Every Lionshield guard is trained, verified, and held to the same standard of discipline — whether on a residential gate or an industrial site.

WHAT OUR CLIENTS SAY.

"Lionshield's guards are punctual, professional, and trustworthy. They make our staff feel safe."

Rajesh Kumar
Facility Manager

"We hired Lionshield for event security — their team handled the entire venue flawlessly."

Vikas Patel
Event Organizer

"The company truly lives up to its name. Great management and trained personnel."

Anil Gupta
Industrial Client

OUR JOURNEY.

Expansion

New branch office opened in Ahmedabad to strengthen our industrial and facility services network.

Training

Launched a new guard training initiative focused on communication, emergency response, and safety drills.

Recognition

Recognized in the Gujarat Facility Excellence Awards for quality and client trust.
